Subject: **Important Science Olympiad Update! (All Islands)**
Date: October 27, 2008 12:26:58 PM HST
To: Hawai'i Science Teachers Association <hasta-l@hawaii.edu>

Aloha fellow science gurus!

Just a couple of updates relating to Science Olympiad:

- We have posted some rules clarifications on our website (www.hssso.org). Just click on event descriptions and you'll find the clarifications for Amphibians & Reptiles/Herpetology and Egg-O-Naut.
- We still have some spaces left at this fall's coaches clinic/Elementary Science Olympiad Workshop on Oahu (Saturday, November 8th at Windward Community College). It is open to all students, teachers, administrators and parents. The registration fee is \$50, payable by check made out to HSSO, at check-in. If you are planning to attend please email us at hisciolympiad@hotmail.com to reserve your place. We'll need the following information from you...

Name

School Name

Division B (Middle School) or C (High School)

Contact Email and Phone

A.M. or P.M. Session (for Elementary Workshop only!)

- Membership deadline for this year's Science Olympiad tournament is Friday, December 19th. The sooner you register, the sooner we can get you the materials to work with your students. The membership fee is \$75.
- HSSO is also looking for individuals to help us run our exciting events! If you have a passion for science and want to help inspire the next generation of scientists and science teachers please contact Roger Kwok (skwok@hawaii.edu) for more info. We need volunteers for both the Leeward Regional Tournament on February 7th, 2009 and the Statewide Tournament on March 7th, 2009.
- Last but not least...we would like to give a HUGE congratulations to Bebi Davis of Farrington High School (who led FHS to Hawai'i's first appearance ever at the 2008 National Science Olympiad high school tournament in Washington D.C.) for receiving the 2008 Teacher of the Year award! She truly sets the standard that we all try to live up to.

As always if you have any questions, comments or concerns you can email us at hisciolympiad@hotmail.com.

Accept the Challenge...Join Science Olympiad!
