---

Hi Science Educators,

I hope your weekend is going well. Unfortunately we missed many of you at the conference yesterday. I'm sure the last minute notice and weather were factors. However, being that membership is now from October to October many of your memberships have expired.

If you want to continue to get the **catalyst** as well as remain on the **listserv** please send your dues (\$10 for students, \$20 for all others) to:

**HaSTA Membership**  
**P.O. Box 61754**  
**Honolulu, HI 96839**

Download a membership form at: <http://www.hasta.us/>

Please update address info if things have changed so we mail the catalyst to the correct address.

Thanks!  
Jenny
