Hi, Carmela!

Could you send this out to the HaSTA email list? I think teachers may be particularly interested in the information about Sea Perch, an underwater robot that middle and high school students can design and build. (More information at: <http://web.mit.edu/seagrant/edu/seaperch/index.html>.)

aloha -

The AUVSI Hawaii Chapter Announces

A December Open Chapter Meeting

Tuesday, December 16th at 6:30 PM
at the Referentia Office near the Airport

> Join us for a presentation about Sea Perch, an educational underwater

ROV.

- > Learn more about robotics activities and competitions in Hawaii.
- > Meet other AUVSI Members in Person.
- > Discuss potential AUVSI Hawaii Chapter directions.
- > Preview the January Officer Elections and Bylaws Update.

Non-AUVSI members are welcome to come and learn about local robotics activities and the AUVSI Hawaii Chapter.

Please RSVP to dtribble@referentia.com by Friday, December 12.
