A message from our OCEANIA president Judy Lemus:

Aloha everyone,

Just a reminder that the deadline for presentation abstracts for the OCEANIA conference is fast approaching - May 8! The conference will be held at Windward Community College on June 12 and registration forms will be sent out at a later date.

We gladly welcome non-members to make presentations as well (the registration fee is just \$5.00 and they automatically become an OCEANIA member!), so please forward this to any colleagues that you think would be interested.

Five travel reimbursements for up to \$150 each will be available for neighbor island members whose presentations are accepted.

Once again, the deadline for submitting the Presenter Form is May 8, 2009.
