Subject: **Seats Open for Vernier Hawaii Workshops in July**
Date: June 3, 2009 7:57:52 AM HST
To: James Redmond <jredmond@hawaii.edu>

Aloha James Redmond,

David Carter and Dr. Marti Moore are conducting a series of free workshops in Hawaii to teach you how to integrate Vernier data-collection technology (probeware) into your chemistry, biology, physics, math, elementary science, middle school science, physical science, and Earth science curriculum. These free, 4-hour, hands-on workshops include a meal and lab handouts.

Reserve your seat today at one of the following dates and times:

Honolulu, Hawaii
Oahu at the Mid-Pacific Institute
Tuesday, July 21, 2009
1:00 - 5:00 PM
