Subject: International MATE Underwater Robotic Competitions Date set for Hilo, HI
Date: October 23, 2009 7:48:43 PM HST

FYI to all Hawaii Teams, Volunteers, Interested Folks

Hi all,

I'm pleased to be able to announce the dates for the 9th annual international competition!

The 2010 MATE international ROV competition will be held June 24-26, 2010 (Thursday – Saturday) at the University of Hawaii at Hilo (UHH).

This means that teams should plan to arrive on June 23rd, if not earlier, and plan to depart on June 27th, if not later. Information about housing will be available ASAP – definitely before the end of this year, but probably much sooner. I will also pursue discounts with airlines and shipping couriers – stay tuned!

Jill
