Aloha HaSTA!

We will be holding our SOEST Open House next Friday and Saturday, October 16th and 17th. It's an exciting event with over 60 hands-on exhibits for students of all ages. We expect over 4000 students to visit us next Friday from 8:30am - 2pm, and close to 2000 members of the public on Saturday from 10am - 2pm.

This free event only happens every two years, so bring your friends and family and be prepared to get messy! We would also appreciate it if you could pass this information on to your students and their families as well.

I've attached a flyer for you with information about the event, we also have an Open House website with program information at <http://www.soest.hawaii.edu/openhouse/>

Many thanks, and we hope to see you there!
Tara
