The University of Southern California, Wrigley Institute for Environmental Studies, and Quiksilver Foundation are proud to announce the 2010 winners of the QuikScience Challenge, the Music Challenge, and the Ocean Leadership Awards.

We will have the winning project summaries, lesson plans, and Quiksilver Open House photos posted to our website, [www.usc.edu/quikscience](http://www.usc.edu/quikscience) in the next few days for your viewing enjoyment. We look forward to having YOUR middle school or high school team join the Challenge next year and go to Catalina Island with us! Every team is a winner!

Please, let's give a round-of-applause to all the participants of the QuikScience Challenge for their outstanding contributions as ocean stewards!  
Best Regards, QS Staff
