Aloha HaSTA Colleagues:

If you get the chance, please extend your warmest congratulations to **Art & Rene Kimura** for receiving a very prestigious **BOE Award** last week Wednesday. Art & Rene are so humble; they choose to give the credit for this award to all of you, the teachers who they've had the privilege to work with. They see themselves as a gate that you walk through to impact your students. Without Art & Rene Hawaii could not offer the world class Robotics programs and competitions. The Kimura's have a long and rich history in Hawaii's education - decades. Art likes to refer to he and Rene as "Living Fossils," but I prefer BOE member Watanabe's descriptors of them as "Living Treasures."

Here is Art's email address: art@higp.hawaii.edu

Mahalo,
Carmela Minaya,
2008 HaSTA Past President
