Aloha friends,

In preparation for this year's exciting round of Science Olympiad regional and statewide tournaments Hawaii Public Radio's Bytemarks Cafe will feature Science Olympiad on today's show. The show will air on KIPO 89.3FM from 5 to 6pm and will feature the HSSO State Director, Mr. Franklin Allaire, and Maui Preparatory Academy Head Coach, Ms. Carrie DeMott. At this prestigious tournament Mililani High School was ranked 10th in the nation in both the Elevated Bridge and Technical Problem Solving events and Maui Prep was ranked 7th in the nation in Ecology.

The show will be live both on 89.3FM and streamed online via www.hawaiipublicradio.org. Following the broadcast this week's episode will be converted into a podcast available for free download from the Bytemarks website and iTunes.

Please tune in!
Mahalo,
