Hi

I am the membership chairperson for HaSTA. I am in the midst of updating our listerv and noticed that we have many listerv members who have not updated their membership (paid dues) in quite a while.

In an effort to provide dues paying members with access to information on professional development opportunities, conferences, workshops, and other information email addresses on the listerv belonging to non-paying members will be removed from the list.

Listerv members who are not up-to-date with their dues will be removed from the list beginning **November 15th**. All members of the listerv who are not current (**as of Oct 9th, 2010**) with dues have recieved this email as a bcc. If you sent in your dues in the past week or so, I may not have received them yet, but when I do I will update your status.

To update your membership, please download a membership form from the HaSTA website:

<http://www.hasta.us/wp-content/uploads/2007/09/hasta-membership-form.htm>

and mail your payment to:

HaSTA Membership Committee

P.O. Box 61754

Honolulu, HI 96839

Thank you for your support of professional collaboration of science teachers in Hawaii.

If you have any questions or concerns, please contact me. If I did make a mistake by adding you to this list, please forgive me. There were quite a few email addresses I needed to add to the bbc line and I may have added a few by mistake. Feel free to check with me if you think I made an error.

Thanks,
Jenny
